Now that you are more familiar with the exact meaning of the direction words, let’s work with them.

**Your Topic is Memory Principles.**

Write some possible questions using the direction words.

Define each of the memory principles.

Discuss how the memory principles are used in the label in the margin system.

Give an Example of using visualization.

Evaluate your use of the memory principles.

Compare association with basic background.

Practice writing questions using direction words for a topic you think will be on a test helps you be better prepared.

*Practice on the topic given at the top of the next slide.*
Your topic is **the college you have chosen to attend**. Choose four of the direction words below and write a test question for each about that topic.
